

TABLE OF CONTENTS

Acknowledgements	iii
Abstract	vii
List of Figures	xii
List of Tables	xvii
List of Appendices	xx
Chapter 1: Introduction	1
1.1 The Geo-Political Context of Oman	5
1.2 The Project Study Area	8
1.3 Research Questions	10
1.4 The Dissertation Structure	10
Chapter 2: The Bronze Age in Southeastern Arabia	13
2.1 Overview	13
2.2 Hafit Period (ca. 3100 – 2700 BCE)	16
2.3 Umm an-Nar Period (ca. 2700 – 2000 BCE)	23
2.4 Wadi Suq Period (ca. 2000 – 1600 bce)	37
2.5 Late Bronze Age (Ca. 1600 – 1250 BCE)	44
2.6 Discussion	50
Chapter 3: Theoretical Frameworks	52
3.1 Overview	52
3.2 Research Questions	53
3.3 Background of Niche Construction Theory	54
3.4 NCT and Archaeological Research	56
3.5 Theoretical Frameworks for This Project	58
3.6 Discussion	60
Chapter 4: A Multi-Proxy Approach	62
4.1 Overview	62
4.2 Archaeobotanical Approaches	63
I. Carpology	65
II. Anthracology	72
III. Phytoliths	77
4.3 Geospatial Approaches	82
I. Geographical Information Systems (GIS)	82

II. Remote Sensing.....	90
4.4 Ethnoarchaeology	96
4.5 Discussion.....	106
Chapter 5: Regional Scale Investigations of Settlement Choices amongst Bronze Age Communities.....	109
5.1 Overview.....	109
5.2 Regional Setting.....	109
5.3 History of Survey in The Region	111
5.4 Datasets	112
5.5 Statistical Methods.....	125
5.6 Bronze Age Settlement Locations and Oasis Type Findings.....	126
5.7 Bronze Age Settlement Locations and Elevation Findings	128
5.8 Bronze Age Tower-like Sites and Hydrology Findings.....	133
5.9 Discussion	141
Chapter 6: Local Scale Investigations of Crop Choices in Bronze Age Bat	145
6.1 Overview.....	145
6.2 History of Archaeological Research at Bat.....	145
6.3 A Brief Overview of the Bronze Age Archaeology of Bat.....	149
6.4 Archaeobotanical Investigations at Bat	155
6.5 Carpological Findings.....	159
6.6 Anthracological Findings.....	163
6.7 Phytolith Findings.....	165
6.8 Ethnoarchaeological Findings.....	169
6.9 Plants in Context.....	172
6.10 Discussion	184
Chapter 7: Balancing the Scales: Towards an Archaeological Signature of Bronze Age Oasis Agriculture	190
7.1 Overview.....	190
7.2 Contextualizing an “Archaeological Signature”	190
7.3 Coding Parameters	192
7.4 Coded Archaeological Indicators for Bronze Age Oasis Agriculture	193
7.5 Coded Archaeological Signature for Bronze Age Oasis Agriculture	202
7.6 Discussion	203

Chapter 8: Conclusion.....	206
8.1 Overview.....	206
8.2 Summary of Results.....	206
8.3 Project Conclusions	214
8.4 Future Directions	216
8.5 Broader Impacts	217
8.6 Closing Remarks.....	220
Appendices.....	222
Bibliography	286
